EC NEWS

EC EQUIPPING CLASS:

WORSHIPPING GOD IN THE MIDST OF SUFFERING

15 Sep | 2:15 – 3:45pm | Rooms 407-08

It is often difficult to worship God when we face suffering because it seems like God is letting us down. But when we understand the purpose of suffering and the reality of God's Presence in suffering, worship becomes the only proper response.

WORSHIPPING GOD THROUGH SCIENCE

6 & 13 Oct | 2:15 – 3:45pm | Rooms 407-08

Evolution and new scientific discoveries make God seemingly inconsequential in modern society. But if we really understand the implications of scientific discoveries, the consequence is a deeper appreciation of God's masterful craftsmanship and His creative powers.

Dr Samuel Law will take us through both topics. Come and learn more + engage in dialogue with him.
