MISSION CONNECT

 Topic: Chinese Ministry Project
 Speaker: Mr Tee (OM)

Christians population in East Asia has grown rapidly, from around 1 million believers in 1950s to more than 100 million in 2024. The great transformation does not limit itself solely to numerical growth. The Church's theological and biblical understanding of her role in world mission has also been maturing. Hence, the Church has developed a clear calling to participate in global mission. However, many missionaries returned home within 2 years. Chinese Ministry Project was founded in 2018. His vision and mission is to enable East Asia cross-cultural missionaries to thrive in the mission fields for God's glory.
