Topic: *Spiritual Legacy*

What can be achieved in 29 years of life?

In the span of 29 years, many of us may find ourselves building a career, raising a family, exploring the world, honing new skills, or serving our communities.

Rev Ng has made good use of his time, energy and given resources building a church, planting the love of Christ to the hearts of the people he has been serving, travelling to various villages to nurture lives. He and his family have left a spiritual legacy in Central Thailand. The disciples and local leaders he has mentored are now continuing the work of the gospel, a testament to the seeds of faith he has faithfully planted.

Join us for an inspiring afternoon as we hear from Rev Ng, and be encouraged by his testimony of God's grace and faithfulness through the years.
