## *Family Ministry*

### **Monthly Prayer Highlights – February**

1. Pray that the young people who are waiting for the release of the A level results to put their trust in God's sovereignty. May they experience the true peace from the Lord when they cast their worries to Him. "Peace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid." (John 14:27)
2. We thank God for the families that He has given to each of us, that we learned about His love, kindness and grace through our loved ones. May God continue to keep each of our families in harmony, and teach us to show and accept love to each other in different love languages. "Be completely humble and gentle; be patient, bearing with one another in love." (Ephesians 4:2)
3. We lift the praying parents in our prayers. May God use these praying warriors to serve His Kingdom through praying for our families and marriages. May their hearts stay close to God's heart, and the power of the Lord will make changes in our lives through the prayers.
